

Sarjaa

Sarjaa was started by the legendary Mangeshkar family in 1996. It has been our honour to have served our patrons in Pune for 21 long years and with your grace and good will we wish to do so for years to come.

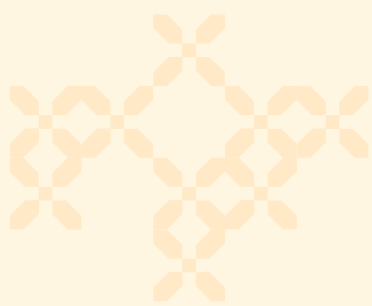

We present to you a specially crafted menu with an addition of delectable Sahyadri delicacies. We handpick farm fresh vegetables, poultry and select fish everyday to provide you with appetizing food.

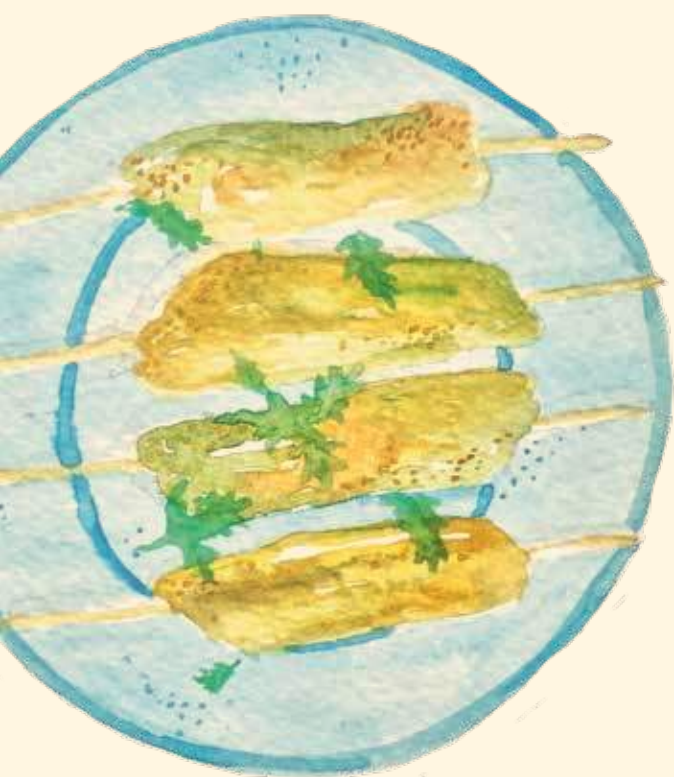

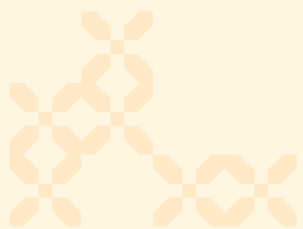

As we embark on our new adventure with a new menu and an elegant ambience, we hope you continue to enjoy the warm dining experience that we have shared for all these years!
