

OUR AFTERSCHOOL PROGRAM

- Kids Hub is hosting an exclusive full range of Afterschool activities, focusing on developmental areas, encouraging creativity and innovation.

- Our main purpose is to occupy your little munchkin's afterschool time with beneficial tasks that keep their brains alert, engaged and sparked to learn through our philosophy, the edutainment learning style.

We are ready to take some responsibilities off your shoulders, MAMA!

Drop your kid off every day from Sunday to Thursday, starting from 1PM to 6PM.
