Good Food | Good Vibe

www.andaground.com

THE STORY WHICH MAKES US, US!

Andaground is the brainchild of a dentist and her mother duo that aim at serving their patrons with the best quality food and continue setting a benchmark for delicious delicacies. Started from a food truck in Pune, Andaground has now expanded into a café and the owners have the vision to accelerate their growth by serving Pan Asia.

Andaground has its roots which date back to the time when all the signature dishes were created in their kitchen and each dish just emerged out as crowds favourite over the years! Andaground wishes that every customer should step out of the outlet with utmost satisfaction and a wide smile on their faces!

The background of the image shows a cafe interior. On the left, a white, distressed metal hanging lamp is visible. In the center and right, a chalkboard menu is partially visible with handwritten text in French, including items like "Villette 'Reserve de la Cour'", "Cuvée St-Francois", and "Dangine de Danu". The text is written in white and red chalk. The overall lighting is warm and slightly dim, typical of a cafe.

THANK YOU FOR VISITING US!

Andaground is a small scale cafe and during peak hours, order placed might take somewhere between 20-30 minutes since we have a small place and an even smaller kitchen. Please be patient as good food takes time. Our staff is authorised to request you to vacate the table and settle your bill once you're done with the food to accommodate the ones waiting for a table. We request you to step outside if you need to use your mobile phone if any of the guests find it disturbing and have repeatedly voiced the request. Thank you so much for your understanding and cooperation.

In case of any queries or suggestions, please mail us at team@andaground.com or reach out to us at +917350250158 and +919822622000. Please feel free to ask for any modifications in the placed orders that might suit your taste buds better. Thank you.
