## Spearfishing + Snorkeling + Beach BBQ

We start at 9am where we head off to do some fishing and spearing to catch our food for the day. Whilst spearing and fishing, we stop for some conch and lobster (seasonal) and prepare a delicious fresh ceviche, on board. After we have caught our fish, we head over to a private beach area to prepare our bbq lunch. We relax and recharge for the other part of the day, and enjoy lunch. We'll have rum punch, beer, sodas and water throughout the day in the cooler. After recharging, we cruise over for a nice relaxing snorkel to finish off the day. We then return back to the resort on a nice cruise with a view of the island. This is a great family activity and can be a romantic getaway for the day as well.
